
Finding the Right Retirement Location

Posted on: August 12, 2019

Grant and Sarah are planning on retiring within the next two years. Paul and Linda, already retired, are thinking about making a move. Whether you are about to retire or are already retired and considering a change, you should consider:

1. Where you want to retire is one of the biggest decisions you will make. Do you want to stay close to your family? Do you want to move to a warmer climate? Do you want to move to a cooler climate? Do you want to move to a place with a lower cost of living? Do you want to move to a place with a higher cost of living? Do you want to move to a place with a different culture? Do you want to move to a place with a different language? Do you want to move to a place with a different religion? Do you want to move to a place with a different government? Do you want to move to a place with a different legal system? Do you want to move to a place with a different currency? Do you want to move to a place with a different time zone? Do you want to move to a place with a different climate? Do you want to move to a place with a different population? Do you want to move to a place with a different history? Do you want to move to a place with a different future? Do you want to move to a place with a different way of life? Do you want to move to a place with a different set of values? Do you want to move to a place with a different set of beliefs? Do you want to move to a place with a different set of attitudes? Do you want to move to a place with a different set of behaviors? Do you want to move to a place with a different set of customs? Do you want to move to a place with a different set of traditions? Do you want to move to a place with a different set of practices? Do you want to move to a place with a different set of rituals? Do you want to move to a place with a different set of ceremonies? Do you want to move to a place with a different set of holidays? Do you want to move to a place with a different set of festivals? Do you want to move to a place with a different set of games? Do you want to move to a place with a different set of sports? Do you want to move to a place with a different set of hobbies? Do you want to move to a place with a different set of interests? Do you want to move to a place with a different set of passions? Do you want to move to a place with a different set of dreams? Do you want to move to a place with a different set of goals? Do you want to move to a place with a different set of aspirations? Do you want to move to a place with a different set of ambitions? Do you want to move to a place with a different set of dreams? Do you want to move to a place with a different set of goals? Do you want to move to a place with a different set of aspirations? Do you want to move to a place with a different set of ambitions?
